

## TOBACCO MEN DISAPPOINTED

Congressman Cantrill Failed To  
Fill Appointment Last  
Thursday.

## THE OLD GUARD WAS THERE.

Tobacco Growers Warned Of  
Disastrous Results Of  
Indifference.

For some unknown reason Hon. J. Campbell Cantrill did not keep his appointment to speak on the tobacco situation at Pembroke Wednesday and in this city Thursday. He sent a telegram merely stating that he would be unable to come. His failure was a great disappointment to the county officials and the farmers. General Manager F. G. Ewing and John Coutts, of Springfield, came Thursday morning, filled with disappointment at the non-appearance of Mr. Cantrill. As Circuit Court was in session and an important commonwealth case was on trial, with many others to be taken up, Judge Hanbery could not adjourn and give the tobacco men the use of the room, a meeting was held in the council chamber. About 100 persons were present. W. W. Radford made the first speech. He made an earnest plea for everybody to join the association and predicted that the prices for tobacco would be as low as they were eight years ago if the association should disband and go out of business. He was followed by Mr. Ewing, who, on account of illness, confined himself to ten minutes. He took the ground that every man should either be in favor of the association or against it. He has no patience with the men who keep silent, not taking sides, but allow other men to help them. He considers Christian one of the most important counties in the black patch. It is one of the largest. One of the wealthiest and raises one of the largest crops. So much more the reason why they should sign up for three years. He said that signing for three years means a cent a pound more for tobacco than signing for one year. He believes that in two weeks his county (Montgomery, Tenn.) will sign up for 90 per cent of the next crop.

Mr. Ewing was followed by Mr. Coutts, who is most thoroughly acquainted with all the doings of the association. He claimed the closest attention of the farmers and his remarks put many of them to thinking. If enthusiasm and earnestness of purpose can do anything in arousing indifferent farmers to action, Christian county will surely be in the association by the time the books close.

## OUTCLASSED.

Weight Tells and High School  
Loses First Game To Bowen.  
--High School Puts Up  
Great Fight.

In one of the hardest fought games ever seen in Hopkinsville, Bowen School of Nashville, defeated High School by the score of 7 to 0. Only a few more seconds and the tale might have been different, for the game ended with the ball in High School's possession on Bowen's one foot line.

During the first quarter, after High School had kicked off to Bowen, the High School team showed up mighty weak on the defense, as Bowen battered the line and hit the tackles for yards and soon made a touch down, but after this High School took a brace and put up a superior article of football. During the fourth quarter, Bowen carried the ball over the line for another touchdown, but fumbled and Roberts fell on the ball. Then the fun began. High School took the ball on their own 20 yard line and by line plunging by H. Abbott, Waller and Twyman, carried the ball all the way up the field to the one foot line, but here the time keeper's whistle blew and ended the game.

Bowen was heavier than High School by an average weight of about five pounds to the man, and it was this beef that told in the first half, but High School showed superior endurance and speed. The interference put up by the Bowen backfield was mighty good, but that put up by High School was very ragged in comparison.

The High School team showed the effects of the coaching of Dan Blake and with the patching up of the faults should the best team in their history.

We cannot help mentioning here the individual work of several of the High School team. H. Abbott, captain and fullback, was the star of the whole game. His line plunging was simply marvelous, as he simply swept his opponents off their feet, and his defensive work could not have been excelled. McReynolds at tackle also put up a mighty good defensive game, as did Weak and Roberts. The rest of the team all played excellent ball and showed that they were determined to have the 1912 championship.

The line-up of the two teams was as follows:

HIGH SCHOOL.	BOWEN.
Roberts	Center
Tandy	L. Guard
Walker, Radford R. Guard	Steele
Radford, Lander L. Tackle	Farmer
McReynolds, R. Tackle	Potter
Higgins, M. Abbott L. End	Graham
Weaks	R. End
Roberts	Quarter
Waller	Atchinson
Fuqua, Twyman R. Half	Cooney
H. Abbott, Cap. F. B. Sidebottom, Cap	Cohen

## AMUSEMENTS.

There is an attraction coming to Holland's Opera House October 18, that every man, woman and child will be tickled to see. It is the new brilliant musical comedy, "The Wizard of Wiseland." The fun of this production is uproarious and unremitting, never pausing for a moment save when the songs and dances are introduced by the capable company of comedians and pretty girls. There are College-girls and all sorts of girls. There are fairies and devils and magic. And there is also a big active lion who will demonstrate how the King of beasts behave when he makes a meal of a man. The "Wizard of Wiseland" has been deservedly playing to crowded houses with great success everywhere.
